22) It is respectfully submitted that in spite of sketches being supplied and other specifications indicated, it is not easy to make sure that the jewels supplied are as good as those supplied in a previous year in quality — beyond verifying that the stones used are genuine ones and not imitations. ~~[illegible] (of past awards) [illegible]~~ The quotations for B. class jewels are all of them lower than those of previous years & this may be due to gems being perhaps cheaper now. Of the 4 firms who have quoted Messrs C.K. Chetty & Indian Jewellery Mart have supplied B class in the past. The quotation of P. Orr & Sons, of Madras is Rs 200 lower than the others. ~~It is a matter for~~ This will be their first attempt if order is given to them.

23) Re: "C" jewels, all the firms (except S.L.V. Co) have previously supplied this class of jewels.

24) Re: P.S. Medals, while all the quoting firms, except S.L.V. Co, have previously supplied II class medals, the first class medals have been supplied by C.K. Chetty and Jewellery Mart. These medals consist of solid gold & no stones & there can be no reason for the large variation in prices quoted unless it be that their estimates of weight vary. It is perhaps safer to ascertain from them on what weight of gold the quotation of each is based. [Unfortunately, our specifications do not

29) The Gandabherunda Jewels and Public Service Medals to be ordered are:-

Jewels: B Class: One.
C Class: Two.

Medals: I Class: Ten.
II Class: Twenty.

29) The quotations received for each of these are tabulated in the statement given below and in respect of medals (which consist entirely of gold with no gems) the quantity of gold proposed to be used by each of the firms is also noted in red ink beneath their respective quotations.

Name of the Firm.	Quotation for "B" Class Jewel.	Quotation for "C" Class Jewel.	Quotation for I Class Medal.	Quotation for II Class Medal.
			Quantity of gold proposed to be used.	
1. Messrs. C.K. Chetty & Sons:	Rs. 1,350	Rs. 580	Rs. 85 3 3/8 Sovereigns.	Rs. 50 1 3/4 Sovereigns.
2. " P.Orr & Sons.	1,150	" 500	" 55/4/0 1 1/2 Sovereigns.	" 45. 1 1/6 Sovereigns.
3. " S.L.V. & Co.	1,350	575	" 67 2 3/4 Sovereigns.	" 49 2 Sovereigns.
4. " Indian Jewellery Mart.	1,325	" 545	" 64 2 Sovereigns.	" 42 1 1/2 Sovereign.

30) The ~~Variations~~ Variations in the prices of the medals seem to be almost wholly due to the varying quantity of gold used. It seems to be therefore desirable to fix the quantity of gold to be used for each class of these medals. In the figures now supplied by the firms,

NOTE—Contn. Sheet.

from 1½ to 3 3/8 sovereigns are proposed to be used for a I Class Medal, and 1½ to 2 sovereigns for a II Class Medal. When these medals were first obtained Messrs. Bartons Son & Co., supplied the designs and ~~were~~ quoted Rs. 90 and 60 for a I Class and II respectively. ~~(Exact weights were specified)~~ On this basis, we may perhaps now fix the weights definitely at 3 sovereigns and 2 sovereigns (22 carat) respectively (exclusive of wastage), for the two classes and call for revised quotations on this basis. If the proposal meets with approval, further action may be taken in the matter. The manufacture of the medals does not need much time as the jewels do.

31) Orders are solicited as to the firms to be entrusted with the jewels - One of B Class and two of C Class. For the B class, The quotation of P. Orr & Sons of Madras is the lowest. So far, they have not manufactured this class. For "C" Class also, their quotation is lowest, and they have supplied this class in the past.

32) The weight in Gold of Public Service medals may be fixed at 2½ Sovereigns for a 1st class medal and 1½ Sovereigns for a 2nd class medal. Last year Messrs Orr & Sons supplied 2nd Class medals at Rs 45/- per medal. The price of Gold has remained more or less Stationary for the past one year.

a more and the medals supplied by messrs Orr & Sons Gold has been only of 1/6 Sovs. Weight. Perhaps it would be well to call for fresh quotations on the basis of 2½ Sovs & 1½ Sovs for 1st and 2nd Class medals respectively. As regards Jewels the quotation of messrs Orr & Sons is much lower than the rest. Whether in this case, also, it is due to difference in quality, it is difficult to make out. They supplied a 'C' class Jewel in 1933 for Rs 600/- which was and it Valuation is quoted at Rs 500/- now. It is for orders as to whether the lowest tenders for 'B' & 'C' class Jewels should be accepted. Kind reference is invited to the Dewan's minute in Flag R. on the note of the then Chief Secy.

Dewan) 2.8.36

33) Messrs P Orr & Sons whose quotation is the lowest may be entrusted with the B class Jewel

34) As regards C class, I would give one to Messrs P Orr & Sons & one to Indian Jeweller merchant who have done this work before & whose quotn is only Rs 45 more. It is better to decide the work & also to have another & purpose of comparison. The quality must be up to Spectn 4/8

41) For I Class medals, the quotation of S.L.V.Coy. is less by Rs 7 than that of C.Krishniah Chetty. The total difference for 10 medals is thus Rs 70/- and there is no reason as to why we should pass over the cheaper quotation, simply because no orders have so far been placed in the past with them. It is stated in page 1 of the notes that five I class medals are in stock, and one of these may be sent for specimen design, etc. As payments are made only after the order is satisfactorily executed, there is no risk involved.
